Dear friends in scouting and guiding,

We hope you enjoyed the first sunny days of spring! We're looking forward to a hot summer, a splendid time for the European Scout & Guide Conference in Brussels. In this newsletter: some information on the status quo of the organization and preparations. Read it carefully. Don't hesitate to send us all your questions and remarks! Our address: info@europeanconference.be.

Still not very clear who's doing what in preparation of the conference? Check the Organisation Organigram in attachment! Reports of the different teams can be read on <http://www.scoutsengidsenvlaanderen.org>

The latest news:

- By now, we have received +/- 320 participant registrations. Brussels will be coloured by scout and guide uniforms!!!
- The opening ceremony will take place in the Horta Gallery at the Central Station. Our animation team prepares a sparkling start in this cool place. For the formal part, we're trying to get our European president Van Rompuy or Commission president Barroso to the conference. As Belgium probably won't have a new prime minister yet, that will be the best solution... ;-)
- On the contrary, the voting sessions and closing ceremony can't take place in the European Parliament as earlier announced. As they are scheduled for the 21st of July, it is impossible to get in there.
- Our logistics team has a whole bench of new crew members, including a new leader. Welcome Dimi/Paca and all of the others!
- Main theme of the conference is "No Limits" (who doesn't remember the 2Unlimited song???). Belgian comics are the theme of the decoration.
- Your costs of transport will be met. Use the form in attachment and send it to your team responsible.

IMPORTANT!

Next and probably last general Conference Crew-meeting: Saturday 29th of May, 10-18h. Write it down in your agenda or smartphone, more details on place to be and program will be distributed soon! Don't miss it, because all practical information on where to stay and what to do at the conference will be spread that day!

See you soon!

Your Conference Crew Chiefs, Anne – Dieter&Pascal – Paca – Denis - Stijn
